

Storytelling in Early Childhood Education

Applying for this course:

To apply for this course, you should have completed compulsory schooling up to 65 years of age. In case of any difficulties regarding the entry requirements kindly contact us on ga.jobsplus@gov.mt.

Course Duration

This course is of 12 hours duration (including 1 hour assessment) and consists of one Module.

General pedagogical guidelines and procedures for this course:

The delivery of this Course will be mainly held through a series of classroom discussion. The trainer will also be holding lessons with the learners which will consist of various presentations, including demonstrations.

This course can also be delivered online. In such cases, the learner is required to have a working camera and a working microphone.

General assessment policy and procedures for this course:

The Learner will be assessed through a practical demonstration which is to be carried out at the end of the course. Furthermore, throughout the course, the learners will need to write a short reflection on how storytelling supports child development.

Module 1 Learning Outcomes- **Storytelling in Early Childhood Education**

✓ Understand the importance of storytelling in early childhood education.	✓ Use props, puppets, voice modulation, and interactive elements to enhance storytelling.
✓ Apply different storytelling techniques suitable for young children.	✓ Encourage children's participation and creativity through storytelling activities.
✓ Create and adapt stories based on children's interests, cultural context, and developmental needs	✓ Foster language development, emotional intelligence, and social skills through storytelling.

Module Assessment:

The Learner will be assessed through a practical demonstration which is to be carried out at the end of the course. In this demonstration the learners will need to recite a story by applying the knowledge, skills and techniques learnt during the course.

Furthermore, throughout the course, the learners will need to write a short reflection on how storytelling supports child development. Learners can opt to use practical examples which support their writing.
